

KELVIN ROAD SCHOOL

I am delighted to inform you that the new Delifol PVC liner has exceeded our expectations. It is crisp, clean and low maintenance and will be a huge saving over painting for the next couple of decades.

The children and parents, as well as teachers, have commented on the sleek, clean look, and the pool has never looked so inviting.

Great advice, service and installation, as well as excellent after sales service.

Yours faithfully

Thomas Robertson
Principal
