

## **ST LEONARDS RD SCHOOL**

### **To Whom It May Concern**

Les Jonkers has been my contact for swimming pool management for 15 years. The pool water is sparkling and we are saving money on the chemicals needed to maintain the swimming pool, primarily chlorine.

Parents and children on a regular basis have commented on how wonderful and inviting the pool has looked during the swimming season.

Les's commitment to personal service is second to none and I can always rely on him to be available should I need his expertise.

Yours faithfully

Mrs R Paki
